TIMINGS:

Doggy Day care is operational during two shifts, a morning shift and an afternoon shift. It is important that all dog owners collect their dogs before shift closing times, 3:00pm or 9:30 pm. All fee's must be paid in advance at reception, all kennel keys to be returned to reception or left in the key box at reception for after-hour collections.

WHAT TO BRING

To make your dogs stay more comfortable we recommend to bring along your dog's bedding as well as their water bowl and food/bowl if food is required during their stay. It is important for the dogs to feel safe and secure so any familiar toys are also welcomed. Please ensure your dog's arrive on a leash - you can hang your lead inside the kennel for ease of collection.

HOT WEATHER

Doggy day care will not be operational during days when the weather forecast is 37 degrees or greater. The kennels can get very hot and it is our priority that we consider the health and comfort level of the dogs.
