CAMPFIRE RULES & REGULATIONS

We are fortunate enough to have been granted a permit so that our guests can enjoy campfires outside of the Fire Danger Period. We consider this a privilege! Campfires are an integral part of camping and so we take these rules & regulations extremely seriously!

Please ensure to READ carefully and tick each point.

- ☐ *Fires cannot be left unattended at any time. Unattended fires will impose a $150 fine on responsible person/persons.*
- ☐ A responsible adult must be in attendance at all times and assume all levels of responsibility and liability to their own property, neighbouring sites and to the property of Pine Country Caravan Park. Children must not be left unattended at any time while the fire drum is in use.
- ☐ A bucket of water will be provided with your fire pit and must be filled with water and placed within 1 metre of the fire drum.
- ☐ NO BYO campfires are allowed, only campfires supplied by Pine Country Caravan Park are permitted.
- ☐ Please do not burn rubbish or food scraps.
- ☐ Please do not empty ash or burning embers onto grass.
- ☐ Campfires are strictly prohibited during a total fire ban. Staff will notify guests when this has been declared.
- ☐ Campfires are not permitted during extreme weather conditions or at Managers discretion.
- ☐ Please be mindful of where you place your fire drum- be aware of natural surroundings, low hanging branches and awnings. Please be respectful of your neighbour – they may not enjoy smoke.
- ☐ If you supply your own wood, please make sure it is dry & split.
- ☐ Ensure that firewood will not hang out of the drum and flames must not be more than 50cm above the height of the drum.
- ☐ All fires to be extinguished completely (including coals) before going to bed.
  Last logs on at 10pm – fire to be extinguished by 11pm.

- *Fees include the delivery and collection of the fire drum*
- *Additional firewood ($12) and kindling ($5) can be purchased from Reception between 9:00am-5:00pm.*

Park Management reserve the right to collect fire pits without warning if above rules are not adhered to. No refunds will be given!

I, _____ of Site/Cabin #_____

Understand that I will be solely responsible for any and all acts of safety and behaviour while the firepit is in use.

I hereby release Pine Country Caravan Park from any liability and all claims of every kind and nature including but not limited to legal claims and medical expenses, for any problems which develop, providing reasonable care and precautions are followed.

I understand that the fire must be extinguished by 11pm by using the bucket of water provided, keeping that within 1m from the fire at all times.

I will not use chainsaws, axes or splitters within the park and the fire will always be attended.

I understand that the firepit will be removed at any time if a breach of these conditions occurs, disallowing myself and other group members hiring another firepit during our stay, and I will be denied any refunds.
